### Breakfast And After School Arrangements

The decision has been made that there will be no Breakfast or After School Club on Friday 18th December. We have been running our wraparound care as normal all through the pandemic, but we felt that by not being open on the 18th, this would hopefully give school staff a better chance at having a safer start to their Christmas break without hopefully causing too much disruption to parents. We apologise for any inconvenience that this may cause and hope that you can understand why we came to this decision.
