

Together We LEARN (Learning, Enjoyment, Achievement, Respect, No Negativity)

WEEKLY NEWSLETTER– 5th February 2021

Snowy Owls Update

Another super week for reception , including amazing beautiful nature patterns being made hopefully you can make some more this weekend outside. Also super 3D shape work. Keep you're eyes open when you're out and about.

Mrs Bowman

Another great week of online learning KS1! In year 2 this week, we have started a new story book and I have been very impressed with our brilliant predictions about The Robot and the Bluebird. Year 1's have continued to impress me with their phonics and even created their own tasty menus! I can't wait to visit your restaurants.

Miss Lowde

Kestrels Update

We've been learning, spotting, and using the features of persuasive writing and in maths we've been multiplying and dividing, doing PE challenges to keep fit and designing gardens!

Mrs Bennett

Red Kites Update

Having received their green screens this week, Red Kites have had the most amazing fun incorporating these into their home learning. Thank you to the PTA for supplying these for the children

Mrs Foy

Good Work Certificates go to...

Ellis, Joe and Annie, Mia P and May and Elena.

ATTENDANCE

Stars of the Week

Heidi

For her amazing attitude and contributions in all Zoom lessons.

Barney & Jemima

For their positive, fun and determined attitude to home learning.

Alexander

For his focus and determination and exceptional manners.

Message from Lisa:

Dear Parents and Carers,

One more week to go before half term. I am sure you are as excited as us!

It is extremely important that we all totally switch off from learning during the holiday. Ensure that next week is a 'finishing off week'. Wrap up the little bits of unfinished learning and have a final push to keep on top of the activities posted by our staff.

Enter the holiday with a clear mind and a resolve to chill and enjoy a week away from Zoom and Seesaw! Let our children wind down, rest and relax and then we can all start the next half term with great gusto!

Next week are parent consultations and, with the promise of more snow, our telephone conversations could be disrupted! Should this happen, our teachers will send out a zoom invite and if you could enter the waiting room a couple of minutes prior to your time, our teachers can end one call and then admit you. All I can say is, it should work – fingers crossed!

This weekend why not build a den? Make a bird feeder from a four-pint milk bottle. Why not grow your own veg? Carrots are good to plant now. Whatever you do, simply have a splendid weekend.

Lisa

Please may we remind you that if you have not yet signed up for your Parent Consultation, there is still time to do so via Parent Mail.

Each appointment will last for 10mins. If you feel that you may need a longer appointment, please contact school in advance, so that we can make arrangements for this.

Thank you.
