### **Safeguarding & Our Curriculum**

As stated in ‘Keeping Children Safe in Education 2021’, safeguarding and promoting the welfare of children is everyone’s responsibility. Everyone who comes into contact with children and their families has a role to play.

In order to fulfil this responsibility effectively, all practitioners should make sure their approach is child-centred. This means that they should consider, at all times, what is in the best interests of the child. We believe that it is in the best interests for our children to have opportunities to learn how to stay safe both in and outside of school. Therefore, safeguarding themes are weaved into lessons, across the wider curriculum, into assemblies and displayed as part of everyday life within our school. Here are just a few examples of ways we teach safeguarding at Kettlesing Felliscliffe Primary School:

- Online safety lessons.
- Healthy eating focus in science and DT.
- Buddy groups system.
- School values system.
- Jigsaw PSHE / RSHE programmes delivered across the whole school, with assemblies focusing on Jigsaw themes and school values.
- Links with the NSPCC ( ‘Speak Out / Stay Safe’ assemblies).
- Local community representatives to support the curriculum such as PCSOs / Police / Fire Safety Etc.

### **Safeguarding & Our Curriculum Cont.**

- Crucial Crew visit for Year 6.
- Themed safety activities such as bonfire night.
- Transition work from pre-school settings to Reception and Year 2 to Year 3, Year 6 to Year 7.
- We mark anti bullying week every November, and encourage children to contribute towards school policy and procedures regarding anti bullying.
- English lessons: many books used will have themes covering tolerance, mutual respect and democracy.
- Core values are used to promote rights and responsibilities. Teachers model these values and hold high expectations around the children displaying them when in school.
- Our School Council gives the opportunity to learn about different models of democracy and how to ensure we have a safe and productive environment in our school.
- Jigsaw and Religious Education lessons reinforce messages of tolerance and respect for others. Children have the opportunity to visits places of worship that are important to different to faiths.
